Mrs Lewis L. Chapman  
Smithfield Va.

Dear Mrs Chapman -

Early in December I wrote  
you concerning my great grand  
parents records and had your  
prompt reply; but with the activities  
of the Christmas season coming on  
I decided to let the matter rest at  
that time.

If you think you can obtain  
most of the data I wish in one  
day time, I will be glad to pay  
3<sup>00</sup>, the amount you suggest, for  
that length of time.

My great grandfather Joseph Johnson  
was born about 1785 and married  
Sallie Hare about 1806. I would

like to secure their definite dates;  
also the name of his father and  
maiden name of his mother  
and where his parents were born.  
I think he was born in Sale of  
Wright Co., but am not certain.

Possibly his marriage record would  
show the date of birth of his wife  
Sallie Hare and the names of her  
parents. Any other facts concerning  
them would be very greatly  
appreciated.

Very truly yours

Charlotte Johnson

Mrs Lewis L. Chapman

Dear Mrs Chapman -

I had been called  
away from home when  
your message came and  
am just beginning to catch  
up the threads of my  
correspondence now.

I am enclosing a check  
for \$3.00 hoping that you

may be able to secure some  
of the date of Wight Johnson  
records - we would like to  
secure for our family records.

Joseph Johnson born 1785 (exact date?)

Timothy Duck Johnson his brother " "

Were there other children in the family?

What was their fathers name?

Place + date of his birth?

What was their mother's maiden name?

Place + date of her birth?

(We suspect her maiden name  
was Duck but are not sure of that.)

Joseph Johnson named one of  
his sons Timothy Duck. The fact

that he had a brother & a son  
both having that name, the surname  
that may have been the name of  
his mother's father!

Joseph Johnson born 1785 married  
Sally Hare in 1806 (exact date?)  
She died probably about 1814 (exact date?)

Joseph & Sally Hare Johnsons Children:

Melissa L. Johnson born 6-2-1807

Lucinda " " 12-27-1804

Sally " " 8-17-1813

Joseph's wife Sally Hare died about 1814  
(exact date?)

Joseph married Priscilla Shepherd 1817

Joseph & Priscilla Shepherd Johnsons Children:

Job. Johnson born 6-22-1818

Mary " " 6-3-1820

Mary Jane " " 3-27-1822 (over)

Johanna Johnson	born	3-2-1824
Joseph	"	5-3-1826
Mordecai Morris	"	12-4-1828
Margaret Eliza	"	4-18-1831
Anderson	"	7-5-1833
Imachy Duck	"	6-22-1835
Richard B	"	3-22-1838
John M	"	2-20-1840
Nancy Milner	"	6-29-1842

Joseph Johnson moved from  
Isle of Wight Co Va to  
Indiana in 1838.

His daughter Melissa L born 6-2-1807  
was my father's mother.  
She married Jervis Johnson of

Isle of Wight Co Va. who was  
related to her in some way  
but we do not know the relationship  
His line is:-

{ Robert Johnson married  
Christiana (Outland?)

Children Elijah 9-28-1747

Christian 6-20-1750

Jane 2-23-1752

{ Elijah Johnson married  
Mary Winslow

Children Denny 11-1-1771

Lydia 2-2-1774

Zachariah 6-8-1776

Elijah Jr. 10-20-1778

2nd wife

Phoebe - ? This wife had 8 children  
whose names & dates we have

{ Zachariah Johnson married  
Susannah Wren 4-27-1803

Children

Jervis 2-18-1804 (my father's father)  
Albert 5-30-1805

{ Richard } 7-4-1808  
{ William }

Almeda 11-22-1809

My data is quite complete for  
father's paternal line but  
his maternal line is little  
known - My only reason for  
giving you the paternal line  
is the possibility that it  
may help in determining

the family relationship  
between Jervis and  
Melissa L Johnson who  
were married 4-27-1831.

I haven't the remotest  
idea as to how you go  
about securing genealogical  
data nor how much time  
such research consumes  
but at least I am hoping  
that you can put in a  
day & report something as  
to possibilities -

Very truly Charlotte Johnson

Season's Greetings

455 East 51st Street.  
New York. N. Y.

Dear Mrs. Chapman:

Conscious of  
your kindness to  
us, we hope you  
will permit us to  
add a thank you  
to our best wishes  
for good health  
and full enjoyment of Christ-  
mas festivities.

There was an Arthur  
Johnston, who in 1770 married  
Elizabeth Harrison; we think it

John G. Chapman of Rose Hill,  
near Annapolis, Md., son of Wm. B.S.  
Chapman of La Plata, married Rebecca  
Harrison Bryan. Their son, Jack,  
born about 1818-19, is already married.  
There are two younger sons in their  
family.  
Mrs. Chapman & Scott Agnes  
are on the docks, barges & other  
equipment parked out our windows,  
these several months past, for the  
construction of the "East River  
Bridge" which their name may?  
Garey Place, N.Y. I believe  
they come from Eastern Shore,  
on Delaware?  
With the Season's best  
wishes and kind regards.  
Harrison has Johnson Bryan.

possible that he may have been a younger brother of our ancestor Bartholomew Johnson, (1741?-1796,) "of" at least Frederick Co., Md., and old "Greater Bath," Va. Arthur went on to Ind. and Ill.; one of his sons was Samuel. One Samuel Johnson in Licking, Knox & Delaware Counties, O., was associated with Jesse Johnson, John H. Cox, [and a witness, Graciel.] These look like "New Jersey migration" rather than Eastern Shore, Va. It is traditional that Arthur Johnson went to Hagerstown, Md., with settlers from N. J. We hardly think our Johnsons were Quakers. Those we know of were Methodists, in Va., and in D.

Elery Johnson may be another "man perhaps"; then the one in 1790 Census in Isle of Wight Co. Possibly they were collateral?

A ship, Diana, was owned by Adams and Johnson. Perhaps it was named for Lady Baltimore. Let us try to trace Diana (Gutteridge) Bryson, b. ca. 1731, m. in Md. 1750. She had a "Maine name,"

There were Simkins Brysons near our Brysons in Ft. Geo. Co. Md.; and Simpsen was of Farmington, Maine, in 1639. On account of an untraced

great-grandmother, Mary Tharp Tappin, we are quite interested in the 1743-44 Norfolk, Va., wills of Garrett Plunkitt and Wm. Toppin. Mrs Ayres of Ky. also had a query (lost) associating the names Tharp and Plunkitt with Ayres. This last was connected in N. J. with both the, and Tappin.

A Dr. Free Genealogy is said to exist I am anxious to learn whether there is a not marriage quite early, (between 1715 and 1773) the copy seems to be in N. Y. Libraries St. Julien, another Huguenot family, may have been connected with Elizabeth "Domario" (Girard), married in 1694 in N. Y. to Jean<sup>2</sup> the, as they was both her names (as: D. E. .) and one of us perhaps engaged to Judith Girard but married Sarah Goodin? Adams is listed with Julien by Mr. B. R. Lewis of Bridgeport, Ill. Lewis was a repeated her given name. John and Martha

(Adams) Pe(a)n(n)e(y) of the Revolutionary period, N. Y. Landowners, had sons.

Mary Amelia and Phoebe, who were respectively m. to Isaac the (in 1808) and to Isaac Pangborn; tradition claims relation ship to President John Adams.

The Chapman of La Plata, Md., are (next) allance of the Elagett-Bryson family, of Virginia Rd. Md. Mrs. Florence Chapman was grad. 1913 at Western Reserve University, Cleveland, and was the Registrar when I studied at Flora Stone Mather College (1915).
